Showcase description

I am a photographer for Artlink, Saatchi Art and contributor for Art+Commerce/VOGUE and artistic curator of the Italian Award of Photography and Painting 'B. Cascella'. I document peculiarities of natural and urban environments; their landscapes and fauna, urbanscapes and society, investigating their emotional aspect from various points of view. I prefer to work with performers in various arts, documenting their performances or integrating them into my works, creating projects that are strictly connected to emotionality and personality. I take care of and advise on national awards; I collaborate with various publishing companies and I am taking care of several documentary projects. I am one of the artists promoted and sold by Saatchi Art of London. In 2014 I am in the Food: our global kitchen exhibition project, curated by the National Geographic. In 2017 I participate in Fotografia Europea with the Delta project, in the Off section, and the same year I am selected for the Triennale of Italian Photography, during the Venice Biennale. My shots have been published in Italian and foreign magazines such as National Geographic (IT and USA), Digital Camera (IT and USA), N-Photo magazine (USA), VISA America (USA), Simon & Schuster (USA), Insel Verlag (Germany), Condè Nast Traveler (India), BW (UK, USA, Australia, Russia, Poland), Camerapix Photography Magazine (UK, USA, Australia, Russia, Poland), Fine Art (UK, USA, Australia, Russia, Poland), Hot Shot (UK, USA, Australia, Russia, Poland), Nature Photography (UK, USA, Australia, Russia, Poland), Pose & Style (UK, USA, Australia, Russia, Poland), Press Documentary Photography (UK, USA, Australia, Russia, Poland), JaamZIN Creative Magazine (Japan), il Fotografo, il Fotografo Accademia, Focus, FOTOCult, Fotografia Reflex, la Rivista della Natura, Wanderer Magazine, 1X, la Stampa, CAI Guides. My photographs are exhibited and are present in private collections in Italy, Switzerland, Austria, France, Belgium, UK, USA, Canada, Turkey, in the Vancouver Stock Exchange Hotel chain and on the fleet of the Holland America Line.
