Showcase description

My name is Mariaelena Russello, I'm 29 years old and I'm a graphic designer based in Milan. I obtained my masters degree from the Academy of Fine Arts in graphic design and public communication. I graduated with maximum score (110 cum laude). I love creating clear visual solutions, simple and effective. Always trying to promote an impactful and strong message in order to arouse curiosity. Some of my strengths are branding and publishing and particular inclination for minimal illustration. I'm creative, punctual, motivated and flexible. My work is my passion, I enjoy working in a dynamic team full of enthusiasm, easily adapting to innovation and changes.
