Showcase description

Roman creative, attentive to the new technologies and developments in the innovative design, is formed at the IED in Rome and attended a course in video post production. Immersed in projects at a high level and in different fields always passes from videomotion Deepend in London (British Telecom, North West, Silicon Graphics SGI, Barclays, The Fragrance Foundation UK FIFI Awards 1999), to the advergame at Adacto (Pirelli 0, Allegri, Sammontana, Erg), curing at 360 ° campaigns, from the creation of the logo to website, from video motion to the print ("Series A" logo, symbol, highlights at the RAI TRADE MAG). Passionated to the mobile world at One Italy where he designed graphical user interfaces for H3G. The desire to work in graphic design in the round led him to collaborate with a variety of reality as freelance creative Roman, managing projects that will allow him to play all of its graphics capabilities and creativity.
