Employment Search: Si

Internships Available: No

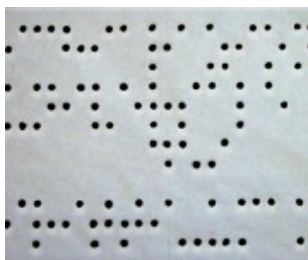

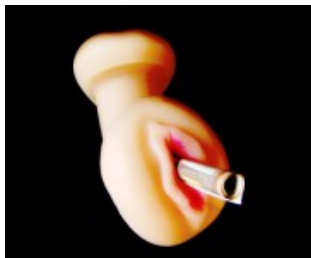

Showcase description

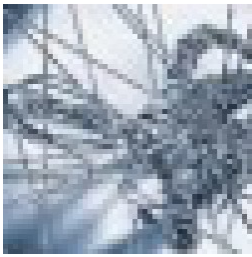

Attraverso lo studio dei Nuovi Media, lo studio antropologico, sociale, filosofico e storico, analizzo le dinamiche contemporanee, cercando di evidenziare i cambiamenti socio-culturali in atto. Per mezzo del fare artistico, creo delle situazioni, o esperienze, atte a far riflettere i fruitori, rendendo possibile una considerazione sui mutamenti compiuti dagli attori sociali nel corso della storia.
