Showcase description

I am a freelance illustrator and graphic designer based in Italy. I have experience in creating illustrations for children's books, book covers, brochures, packaging, corporate identity and everything related to creativity! I have worked for many prestigious clients including UNESCO and Italian Ministry for Cultural and Environmental. I have worked more than ten years in the visual arts and since 2009 I become owner of zoographico. Feel free to contact me for anything at all whether it be a question, a quote or a friendly hello.
