One day, my boss said me:
 "Hi, Claudia, we would like to do an advertisement
 for IVO's Kitchen in the magazine Amsterdam-enjoy.
 Amsterdam Enjoy is a bimonthly multi-cultural, a
 colorful magazine that you can take for free.
 This magazine promotes an innovative way special,
 physical and creative activities, conscious shopping,
 characteristic places in the city.
 What I thought then was:
 "Oh, how I can promote a Restaurant in a
 creative magazine?"
 This is how this food illustration was born
