

Javier Enjuto Garcia

Photographer

Location: Spain > Segovia

Years of Experience:

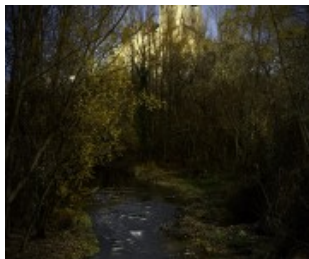

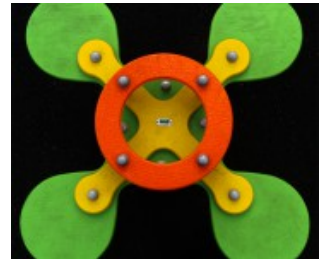

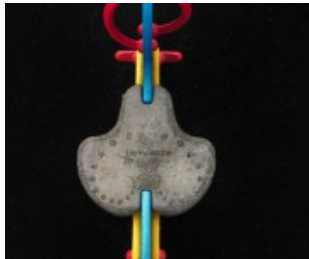

Employment Search: Si

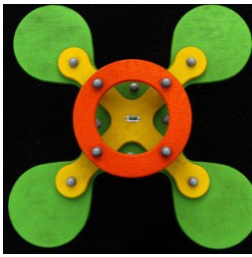

Internships Available: No

Showcase description

Nacido en Jerez de la Frontera, criado en Segovia, residiendo en Zamora. La fotografía la descubrí en serio, hace unos 7 años, mis fotografías tratan de transmitir sensaciones y sentimientos, capto sobre todo paisajes, y todo aquello que me llama la atención, sigo buscando el modo de salir de las típicas fotografías tratándolas de hacer más. La mejor forma de ver si voy en buen camino es que las veáis y lo valoréis...
