Showcase description

Work, commissions, clients ? this means so much more to us than simply ?projects?. Behind every one of the projects lies hides a story whose understanding constitutes the very germ of what is created in Rio. It often happens that these stories are intertwined with our own. ?We get on well with our clients? is not a mere cliché in our case. We invest in long term relationships as they pay off much more than even the most money-spinning commission. Take a look at our prezi:
