### Showcase description

Di lavoro faccio la copywriter, da grande vorrei fare la copywriter e come hobby faccio copywriting. Ad alcuni potrebbe sembrare un p? ripetitivo...limitante. Ma considerato che questo lavoro, fatto bene e con passione, vuol dire guardarsi continuamente intorno, sperimentare, leggere, viaggiare per terra per mare e con l'immaginazione, conoscere, ripescare dal passato per poi tuffarsi nel futuro, parlare, coinvolgere persone. Vivere... B?, non vi sembra fantastico?
