Employment Search: Si

Internships Available: No

## Showcase description

Hi everyone, my name is Fabiana and I'm a Graphic Designer. I've attended a graphic school near Bergamo and now I'm looking for a job. I use softwares such as Photoshop, Illustrator and Indesign, but I'm a self-thought with web and 3D. I got the ECDL and the PET certificate. Passion and creativity are my maxim, I like challenges and I'll never give up against hurdles. I'm looking for a job, for a new reality.

## Curriculum

## Photo editing and photomanipulation

## Social Media manager
