Showcase description

The Workshop of Creativity LS is a communications and marketing of Florence was born in 2005 and engaged in the development of growth strategies aimed at creating added value capable of ensuring development for businesses. LS is the ability to interpret an idea, with flair and virtuosity, through the harmonious union of the various tools of marketing and communication. The work of LS is a contamination of Strategy and Creativity that moves in sync with the global reality. Communicate means to bet on their beliefs, try a new emotion that is able to convey a message different from all the others. LAPO SECCIANI 349 2195855 posta@laposecciani.com
