Showcase description

I am Nadia Antosina, Fashion Illustrator skilled in traditional manual illustration techniques and also in computer programs, particularly in Sketchbook for Galaxy and Sketchbook Pro. I am capable to realize illustrations and layouts that can be used in catalogues, fashion magazines, flyers, commercial and other forms of presentation and advertisement, book covers, private projects for interiors such as prints, vases, silk cushions and others. I consider my natural artistic ability and a keen interest in fashion my main strength and I use it as the basis of my ideas and projects. In addition I perform good interpersonal skills, network abilities and business administration duties such as marketing. I'm ready for collaboration with publishers as well as design and advertising agencies, showrooms, fashion shops, fairs, events and others. Email: info@lamorettillustration.com Cell: 3457981160
