Showcase description

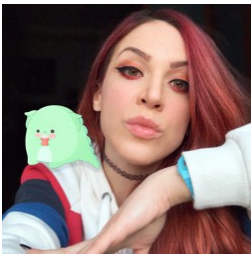

Website: <http://luciapetrucci.wixsite.com/luciapetrucci> FB: www.facebook.com/imostrinellatesta Instagram: [@luciapetrucci.art](https://www.instagram.com/luciapetrucci.art) My name is Lucia and I don't go anywhere without my Monsters. "Monsters in my head" is a project I started just for fun, which has soon become a huge part of my days. Inspired by the Japanese Kawaii style and the Danish concept of Hygge, these chubby, funny and playful creatures come out of my head to make us smile and remind us about the little things in life. I both use pencils/markers and iPad Pro (Procreate and Autodesk Sketchbook). I'm currently illustrating my first children's book and planning to open a tiny online shop soon. ? ? ? Born and raised in Italy (Fabriano, Marche), I lived in Melbourne for 5 years, working as a Graphic Designer and freelance illustrator. I currently live in Rome. I am very passionate about music, movies, food, tea & coffee, travels, books and everything's magical and weird.
