Showcase description

(25\04\1977 Motta di Livenza) is an Italian Artist born in Motta di Livenza, Treviso, Italy. Best known for joining the Pataphisic movement, she plays with all kinds of art medium. Her work is an ironic elaboration of our contemporary time. It is an elaboration stemming from a language synthesis where diversity and contradiction are intertwined and where the influence of internet culture, TV, comic strips, video games, and cartoons are generating a complex set of elements, which, although turning into an apparent chaos, are letting themselves be recognized. Her work represents divergencies of thoughts and the way such divergencies may coexist, as though each element were an indispensable fragment of a jigsaw-puzzle. Shitsky
