Showcase description

I was born 33 years ago in Milan, the city where i'm still living and working. I have been feeling a true passion for drawing and for figurative arts since my childhood. After getting a degree in economics i managed to make my passion a real professional. I got a Master in Graphic and Illustration at IED-Milan and followed graphic and web design professional courses at Abea School Design in Milan. I specialized myself in making promotional illustrations,playbills,posters,paper information material, business cards,logos, wall stickers, cd booklets, design for t-shirts and comics. My knowledge also encloses a good inclination for hand-drawing and comics digital colouring and fantasy illustration capability. TOOLS: Wacom Tablet Bamboo Suite Adobe CS3/CS4 - Photoshop, Indesign, Illustrator, Flash, Acrobat Pro 9 Other known Softwares: Quark X-press 7, Corel Painter X, Corel Draw X-4, Z-brush 3 -Operative Systems: Mac Os X, Windows Xp, - Others medias: pencils,pens,oil paints,acrylics,china inks.
